EarthStone Hot Stone Massage is a unique methodology combining the best of East and West stone healing traditions with current scientific knowledge, energy work and innovative connective bodywork. This profoundly relaxing and balancing treatment is now one of the most requested massage specialties worldwide.

In this hands-on workshop you will learn how to set up for hot stone massage in your office, with specifics on equipment, supplies, stone selection, marketing and more. You'll learn how to use the stones with technique variations that enable you to individualize your work according to your style and your clients' needs. You'll perform and receive a 90-minute treatment. A detailed manual is provided.

*Students can purchase a complete stone set from **EarthStone's** website

www.earthstonemassage.com or bring a comparable set. If you call Yvette to order directly, at 315-420-8674, she will bring them to class and save you the shipping.
