- Learn techniques of energy healing that balance, clear, re-center and recharge yourself, your immune system; then that of a client's.
- Discover how energy blockages held in the body from trauma, accidents, or adverse experiences eventually result in physical illness, by studying the anatomy and physiology of the energy field & chakra system, and how it relates to the physical body.
- Experientials to heighten and develop your intuitive awareness.

**This class provides great information for those who long to learn self-healing or massage therapists and others in the helping professions, to better understand the emotional, spiritual & mental connection to pain, stress or the disease process in the body. You'll also learn to deepen contact with energy, and save your hands!*

Joy Adler has been a healer, counselor and teacher for over 15 years. She has a private practice in both Albany and Manhattan and does long distance sessions with clients from all over the world. She is dedicated to treating the body, mind and soul as one. Joy has a degree in Mass Media Communications from the Sage Colleges, and is a graduate and former faculty member of **The Barbara Brennan School of Healing**. Additionally, she completed their 2-year teacher training program, while attending an Early Childhood Psychology program through **The Center for Intentional Living**. She is also a Certified Hypnotherapist and studied shamanism for 4 years. Joy also trained in Swedish massage in NJ, and loves the integration of bodywork and energy. She has trained hundreds of people from 48 different countries.

Joy enjoys teaching Wellness and Emotional Growth at the Center for Natural Wellness Massage School in Albany, NY, as well as being their student and administrative advisor.
